VOTING AND DISPOSITION OF ITEMS – Most items require a majority vote of the entire membership of the Board (3 members). When debate on an item is completed, the Board President will instruct the Secretary to "call the roll". Every member present must vote for or against each item; abstentions are not permitted unless there is a Conflict of Interest for which the Board member is obliged to abstain from voting. The Secretary will announce the votes on each item. Any member of the Board may move to "reconsider" any vote on any item on the agenda, except to adjourn, suspend the Rules, or where an intervening event has deprived the Board of jurisdiction, providing that said member originally voted on the prevailing side of the item. The motion to "reconsider" shall only be in order once during the meeting, and once during the next regular meeting. The member requesting reconsideration shall identify for all members present the Agenda number and subject matter previously voted upon. A motion to reconsider is not debatable and shall require an affirmative vote of three members of the Board.

When the Board has failed by sufficient votes to approve or reject an item, and has not lost jurisdiction over the matter, or has not caused it to be continued beyond the next regular meeting, the issue is again placed on the next agenda for the following meeting for the purpose of allowing the Board to again vote on the matter.

COMMISSION MEETING DATE: January 24, 2012

PREPARED BY: Brenda Barnette, General Manager

REPORT DATE: January 20, 2012

SUBJECT: POLICY ON ACCEPTING GIFTS

BOARD ACTION RECOMMENDED:

That the Board approves the policy to accommodate a situation that may arise if fewer donor opportunities (of $5000 or more) are available and more donors than donor opportunities exist.

SUMMARY

The Department receives donations in the form of cash and in-kind donations. Recently, two groups donated large banners advertising our great pets available for adoption (see attached).

The Controller’s Office recommended that the Department develop a formal agreement and follow a selection process in the event that there are more donors than opportunities for specific gifts.

BACKGROUND

When products or services are purchased by government, there is normally a competitive bid process to ensure that the City obtains products and services at a fair price, and where there is equal competition among qualified vendors.
This policy is designed to address how Animal Services will accept gifts for specific donor opportunities when the amount is $5000 or more and there are more donors than gifting opportunities.

Management believes that $5000 or more is the appropriate threshold and that was also the suggestion of the Controller’s Office. If there is a need to solicit restricted gifts for a lesser amount, the program requiring the solicitation of sponsors and the number of sponsors will be presented to the Board of Animal Services Commissioners prior to campaigning for a specific number of restricted donations.

Likewise, donations that display a business name, which can be interpreted as an exclusive advertising benefit, will be presented to the Board of Animal Services Commissioners prior to a campaign. The Board will determine if a competitive bidding process is required.

PROPOSED GIFT POLICY (Revised)

Acceptance of a Single In-Kind/Cash/Service Gift (Over $5,000 Value) for a Restricted Purpose other than an existing Fund:

- The Department will execute a written agreement, subject to the review and approval of the City Attorney, with the donor. This agreement will memorialize the donation amount, its use, any conditions, and any other pertinent details or

- Animal Services will request a letter to accompany the gift, noting the gift amount, its intended use, any conditions, and any other pertinent details.

- If the restricted donation was not solicited, the offer of the donation will be presented to the Board of Animal Commissioners for approval prior to acceptance.

Acceptance of Multiple, In-Kind/Cash/Service Gifts for the Same Restricted Purpose (Over $5,000 Value):

1. If the Department is offered multiple gifts for which there are fewer gifting opportunities than donors, staff will present these offers to the Board of Animal Services Commissioners.

2. Donors may attend the Commission meeting and present their offer in person, although this is not required.

3. The Board of Animal Services Commissioners will decide which gift (or gifts) is in the City’s best interest.

4. The Department will write a letter(s) to the selected donor(s).
The Animal Sterilization Trust Fund (LAMC Section 5.199 [d]), and the Animal Welfare Trust Fund (LAMC Section 5.200 [c]) require that donations and gifts of $25,000 or more be approved by the City Council.

**FISCAL IMPACT:**

There is no financial impact on the Department's budgeted funds.

Report to the Board of Animal Services Commissioners

COMMISSION MEETING DATE: January 24, 2012

REPORT DATE: January 20, 2012

SUBJECT: RFP FOR ANIMAL SHELTER

BOARD ACTION RECOMMENDED:

That the Board authorize the General Manager to release a Request for Proposal (RFP) for the selection of a contractor to provide services at a City shelter.

SUMMARY:

The new South Los Angeles Animal Services shelter, Chesterfield Square, is expected to open in July 2012. This facility is being built with Proposition F bond funding. The Department looks forward to operating this new facility and also realizes that in the current budget climate with severe budget cuts expected, the funds to operate seven shelters is not available and all facilities are critical to meet community needs. The Department has been asked to issue an RFP to see if there is an established animal care organization that will submit a proposal to operate a shelter for adoptions and medical services that meet the same high standards of our City-operated shelters.

BACKGROUND

Last year, the City Administrative Officer recommended the issuance of a Request For Information for the operation of one or more of the City’s animal shelters by an established animal care and control organization. On January 10, 2011, after consultation with the General Manager, the CAO released an RFI for a contractor to operate one or more shelters. Responses to the RFI were due on February 26, 2011.
The City received one response to the RFI from Best Friends Animal Society to operate the Northeast Valley shelter. After reviewing their proposal in relation to available alternatives for Northeast, the CAO, bond counsel and the Department determined that pursuing a management contract with Best Friends was in the City's best interest. That contract was executed on December 30, 2011 and Best Friends is currently operating at that location.

With the opening of a new shelter at South Los Angeles, the City will be unable to operate another shelter or expand services over the next several fiscal years due to the City's current and projected financial picture. Therefore Animal Services requests authority to release a Request for Proposal to have a private contractor provide services at another location.

Selecting a private company to provide services on behalf of the City represents yet another partnership that would expand the range of services provided for the benefit of residents at a limited cost to the City. Therefore, the City should adopt a management contract with a private contractor that will reduce current General Fund costs, enhance the range of services provided, and reduce the number of animals euthanized due to time and space constraints.

SCOPE OF WORK

The proposed scope of work would include the following:

- On-site adoptions and monthly adoption events;
- Low-cost spay/neuter surgeries;
- Medical care for the public and shelter animals;
- Educational, outreach, and development programs.

Proposers would be required to inform us whether they could provide all or some combination of the services noted above. Animal Services would continue to provide animal control and enforcement services.

After the review of these proposals, Animal Services would report back to the Board with its recommendation(s). The contract is expected to be for one year, with a maximum two one-year extensions.

FISCAL IMPACT:

There is no financial impact on the Department’s budgeted funds.
