Each speaker called before the Commission will have one (1) minute to express their comments and concerns on matters placed on the agenda.

**PUBLIC INPUT AT BOARD MEETINGS – Public Participation on Agenda Items.** Members of the public will have an opportunity to address the Board on agenda items after the item is called and before the Board takes action on the item, unless the opportunity for public participation on the item was previously provided to all interested members of the public at a public meeting of a Committee of the Board and the item has not substantially changed since the Committee heard the item. When speaking to an agenda item other than during Public Comment (see Public Comment below), the speaker shall limit his or her comments to the specific item under consideration (California Government Code, Section 54954.3).

**Public Comment.** The Board will provide an opportunity for public comment at every regular meeting of the Board. Members of the public may address the Board on any items within the subject matter jurisdiction of the Board as part of Public Comment.

**Speaker Cards.** Members of the public wishing to speak are to fill out one speaker card for each agenda item on which they wish to speak and present it to the Board secretary before the item is called.

**Time Limit for Speakers.** Speakers addressing the Board will be limited to one (1) minute of speaking time for each agenda item except in public comment which is limited to three (3) minutes. The Chairperson, with the approval of a majority of the Board, may for good cause extend any speaker’s time by increments of up to one (1) minute. Total speaker time on any agenda item will be limited to ten (10) minutes per item and fifteen (15) minutes for Public Comment, unless extended as above.

**Brown Act.** These rules shall be interpreted in a manner that is consistent with the Ralph M. Brown Act, California Government Code Section § 54950 et seq.

**STANDARDS OF CONDUCT.** Speakers are expected to behave in an orderly manner and to refrain from personal attacks or use of profanity or language that may incite violence.

All persons present at Board meetings are expected to behave in an orderly manner and to refrain from disrupting the meeting, interfering with the rights of others to address the Board and/or interfering with the conduct of business by the Board.

In the event that any speaker does not comply with the foregoing requirements, or if a speaker does not address the specific item under consideration, the speaker may be ruled out of order, their speaking time forfeited and the Chairperson may call upon the next speaker.

The Board, by majority vote, may order the removal from the meeting of any speaker or audience member continuing to behave in a disruptive manner after being warned by the Chairperson regarding their behavior. Section 403 of the California Penal Code states as follows: “Every person who, without authority of law, willfully disturbs or breaks up any assembly or meeting that is not unlawful in its character, other than an assembly or meeting referred to in Section 302 of the Penal Code or Section 18340 of the Elections Code, is guilty of a misdemeanor”.

**VOTING AND DISPOSITION OF ITEMS** – Most items require a majority vote of the
entire membership of the Board (3 members). When debate on an item is completed, the Board President will instruct the Secretary to "call the roll". Every member present must vote for or against each item; abstentions are not permitted unless there is a Conflict of Interest for which the Board member is obliged to abstain from voting. The Secretary will announce the votes on each item. Any member of the Board may move to "reconsider" any vote on any item on the agenda, except to adjourn, suspend the Rules, or where an intervening event has deprived the Board of jurisdiction, providing that said member originally voted on the prevailing side of the item. The motion to "reconsider" shall only be in order once during the meeting, and once during the next regular meeting. The member requesting reconsideration shall identify for all members present the Agenda number and subject matter previously voted upon. A motion to reconsider is not debatable and shall require an affirmative vote of three members of the Board.

When the Board has failed by sufficient votes to approve or reject an item, and has not lost jurisdiction over the matter, or has not caused it to be continued beyond the next regular meeting, the issue is again placed on the next agenda for the following meeting for the purpose of allowing the Board to again vote on the matter.

COMMISSION MEETING DATE: April 12, 2011   PREPARED BY: Brenda Barnette
REPORT DATE: March 3, 2011   TITLE: General Manager

SUBJECT: Assembly Bill (AB) 564

BOARD ACTION RECOMMENDED:

That the Board:

Recommend to the Mayor and City Council that the City support Assembly Bill (AB) 564, along with an amendment, which if approved would allow a check off box on the California Income Tax Form voluntary contributions to continue for two years that will allow tax payers to donate to a Spay and Neuter Fund.

SUMMARY:

Assembly Bill (AB) 564 was introduced by Assembly Member Smyth. The existing Personal Income Tax Law allows individual taxpayers to contribute amounts in excess of their tax liability for the support of specified funds.

This bill would also allow a taxpayer to designate on a tax return that a specified amount in excess of their tax liability be transferred to the Municipal Shelter Spay-Neuter Fund, which would be created by this bill.

This bill would provide that all money contributed to the fund pursuant to these provisions, upon appropriation by the Legislature, be allocated to the Franchise Tax Board and the Controller for reimbursement of costs, as provided, and to the Department of Food and Agriculture for distribution of grants to eligible municipal shelters on a first-come-first-served basis, as specified, for the purposes of providing low cost or free spay-neuter services and for administrative costs. This bill would require eligible municipal shelters, as defined, in order to receive a grant, to file an application with the Department of Food and Agriculture, as specified.
This bill would provide that these voluntary contribution provisions are repealed on either January 1 of the 5th taxable year following the taxable year the fund first appears on the personal income tax return, or on January 1 of an earlier calendar year, if the Franchise Tax Board estimates that the annual contribution amount will be less than $250,000, or an adjusted amount for subsequent taxable years.

At its March 8, 2011 meeting, the Commission voted to request that Mayor and City Council support AB 564. In support of AB 564, the Commission also requested that the authors amend the bill. The change that is recommended is to the California Food and Agriculture Code, Section 30525. The amendment to AB 564 would allow for the electronic proof of spay and neuter of animals to be provided to local agencies for licensing purposes.

The recommended amendment to be added is as follows:

“The responsible city, county or counties may specify the means by which the dog owner shall provide proof of his or her dogs spay or neuter surgery including but not limited to electronic transmission or facsimile.”

FISCAL IMPACT:

There could be additional funding for low cost spay and neuter services.

Approved:
