Three (3) members of the Board constitute a quorum for the transaction of business. Some items on the Agenda may be approved without any discussion.

The Board Secretary will announce the items to be considered by the Board. The Board will hear the presentation on the topic and gather additional information from Department Staff. Once presentations have finished, the Board President will ask if any Board Member or member of the public wishes to speak on one or more of these items. Each speaker called before the Commission will have one (1) minute to express their comments and concerns on matters placed on the agenda.

PUBLIC INPUT AT BOARD MEETINGS – Public Participation on Agenda Items. Members of the public will have an opportunity to address the Board on agenda items after the item is called and before the Board takes action on the item, unless the opportunity for public participation on the item was previously provided to all interested members of the public at a public meeting of a Committee of the Board and the item has not substantially changed since the Committee heard the item. When speaking to an agenda item other than during Public Comment (see Public Comment below), the speaker shall limit his or her comments to the specific item under consideration (California Government Code, Section 54954.3).

Public Comment. The Board will provide an opportunity for public comment at every regular meeting of the Board. Members of the public may address the Board on any items within the subject matter jurisdiction of the Board as part of Public Comment.

Speaker Cards. Members of the public wishing to speak are to fill out one speaker card for each agenda item on which they wish to speak and present it to the Board secretary before the item is called.

Time Limit for Speakers. Speakers addressing the Board will be limited to one (1) minute of speaking time for each agenda item except in public comment which is limited to three (3) minutes. The Chairperson, with the approval of a majority of the Board, may for good cause extend any speaker’s time by increments of up to one (1) minute. Total speaker time on any agenda item will be limited to ten (10) minutes per item and fifteen (15) minutes for Public Comment, unless extended as above.

Brown Act. These rules shall be interpreted in a manner that is consistent with the Ralph M. Brown Act, California Government Code Section § 54950 et seq.

STANDARDS OF CONDUCT. Speakers are expected to behave in an orderly manner and to refrain from personal attacks or use of profanity or language that may incite violence.

All persons present at Board meetings are expected to behave in an orderly manner and to refrain from disrupting the meeting, interfering with the rights of others to address the Board and/or interfering with the conduct of business by the Board.

In the event that any speaker does not comply with the foregoing requirements, or if a
speaker does not address the specific item under consideration, the speaker may be ruled out of order, their speaking time forfeited and the Chairperson may call upon the next speaker.

The Board, by majority vote, may order the removal from the meeting of any speaker or audience member continuing to behave in a disruptive manner after being warned by the Chairperson regarding their behavior. Section 403 of the California Penal Code states as follows: “Every person who, without authority of law, willfully disturbs or breaks up any assembly or meeting that is not unlawful in its character, other than an assembly or meeting referred to in Section 302 of the Penal Code or Section 18340 of the Elections Code, is guilty of a misdemeanor”.

**VOTING AND DISPOSITION OF ITEMS** – Most items require a majority vote of the entire membership of the Board (3 members). When debate on an item is completed, the Board President will instruct the Secretary to "call the roll". Every member present must vote for or against each item; abstentions are not permitted unless there is a Conflict of Interest for which the Board member is obliged to abstain from voting. The Secretary will announce the votes on each item. Any member of the Board may move to "reconsider" any vote on any item on the agenda, except to adjourn, suspend the Rules, or where an intervening event has deprived the Board of jurisdiction, providing that said member originally voted on the prevailing side of the item. The motion to "reconsider" shall only be in order once during the meeting, and once during the next regular meeting. The member requesting reconsideration shall identify for all members present the Agenda number and subject matter previously voted upon. A motion to reconsider is not debatable and shall require an affirmative vote of three members of the Board.

When the Board has failed by sufficient votes to approve or reject an item, and has not lost jurisdiction over the matter, or has not caused it to be continued beyond the next regular meeting, the issue is again placed on the next agenda for the following meeting for the purpose of allowing the Board to again vote on the matter.
COMMISSION MEETING DATE: June 14, 2011    PREPARED BY: Brenda Barnett
REPORT DATE: June 7, 2011    TITLE: General Manager

SUBJECT: Resolution on Increasing Bail for Illegal Animal Sales Misdemeanors

BOARD ACTION RECOMMENDED:

That the Board:

Approve the resolution calling upon the “bail committee” of the Los Angeles County Superior Court to increase the bail for arrestees in cases involving the illegal sales of animals to as much as $5,000, and in no case less than $500, in order to improve the prosecution of such cases in the court system. In addition, if the Board approves the resolution, instruct the Board president to send the resolution, accompanied by a cover letter asking for consideration of the request, to the bail committee at the earliest opportunity.

SUMMARY:

On May 10, 2011, the Board devoted a substantial portion of its meeting to the exploration of issues relating to the proliferation of illegal sales of animals in Los Angeles. The state of the law, enforcement, animal health and welfare and related issues were extensively discussed.

Representatives of the Los Angeles Police Department and the City Attorney reported that one of the main impediments to the effective prosecution of perpetrators of illegal sales was the extremely low bail amount currently assigned to these types of cases (often as low as $25). As one of its action items, the Board determined to ask the Los Angeles County Superior Court to consider increasing the bail amount for arrestees in misdemeanor cases resulting from illegal animal sales in the City of Los Angeles.

In consultation with the City Attorney and District Attorney’s animal protection units, the Department has prepared a resolution for consideration by the Board in keeping with its
intent as set forth on May 10. This resolution is suitable for transmittal to the Superior Court’s bail committee, to be accompanied by a letter from the Board president.

The resolution’s action element reads as follows:

“NOW, BE IT RESOLVED that the Los Angeles City Board of Animal Services Commissioners hereby requests that the bail committee of the Superior Court of Los Angeles County be petitioned to raise the bail amount for illegal animal sales-related misdemeanors to as much as $5,000.00, and in no case less than $500.00, at the earliest opportunity, in order to facilitate more effective law enforcement and prosecution of these cases.”

The full text of the resolution is attached.

SUMMARY:

At the meeting of August 10, 2009, the Board instructed the Department to proceed with developing and implementing an Administrative Citation Program in conjunction with the City Administrative Officer, the City Attorney’s Officer and other city agencies as appropriate.

The Department has been in discussions with the City Attorney’s Office and other agencies in order to move forward with implementation. The City Attorney’s Office recommended the Department propose pertinent sections of the LAMC for inclusion in the Administrative Citation Program. Meetings were held with Field Staff to gather their input and a list was compiled.

BACKGROUND:

The Office of the City Attorney has prepared a draft ordinance which includes recommendations for the development and implementation of an administrative citation program to be utilized by departments who provide code enforcement services. Animal Services, along with Building & Safety, Dept. of Transportation, Fire, Police and Housing and Planning, were identified as the agencies that would most benefit from the creation of this program.

The intent of the Ordinance is to deter code violation behavior and repeat offenders. The benefits of the program as identified by the City Attorney’s Office include creation of greater efficiencies and faster compliance, better use of legal resources and an increase in additional revenues credited to the City as opposed to the County of State.
Report to the Board of Animal Services Commissioners

Subject: Administrative Citation Program

FISCAL IMPACT:

The City’s Administrative Office has set the Administrative fines in the draft ordinance as $250 for the first violation; $500 for the second violation; and $1,000 for the third or any subsequent violation of the same code provision, statute, ordinance, order, condition or requirement. Based upon the stated fines, the initial annual revenue projection is $125,000.

COMMISSION MEETING DATE: June 14, 2011
REPORT DATE: June 10, 2011
SUBJECT: The Amanda Foundation Fee Increase Request

BOARD ACTION RECOMMENDED:

That the Board approves a new fee schedule for sterilization surgeries performed by The Amanda Foundation Mobile Spay/Neuter Clinic.

SUMMARY:

The Amanda Foundation, through its mobile clinic, provides pet sterilizations free for residents of Los Angeles who meet the HUD very low income guidelines. Each fiscal year, the Department receives a general fund appropriation of $500,000 to the Spay and Neuter Trust Fund, funding approximately 5,000-6,000 surgeries a year.

The Amanda Foundation has requested an increase in fees to recover increased costs. Between 2009 and 2010, the last complete year, the Consumer Price Index increased by approximately three percent (3%). However, during the same period, fuel to operate the mobile Spay/Neuter van and generator increased 18.4%. Other expenses to provide spay and neuter services have also increased. For example employee healthcare insurance for the van's staff is expected to increase at a rate of approximately 13% to 24% according to the Amanda Foundations’ financial consultant. In addition, the Webster Veterinary Supply Company, the supplier of the van’s medical necessities, has indicated that over the past 16 months supplies have increased from 15% to 48% on selected items.
Subject: The Amanda Foundation Fee Increase Request

Amanda has not requested a fee increase since the contract was approved more than two years ago (April 2009). In order to maintain the current level of service to the community, the Amanda Foundation has requested increase in spay and neuter fees as follows:

**Current fees:**

**FISCAL IMPACT:**

An increase in Amanda’s fees does not impact funding, as annually the Department allots $500,000 for mobile s/n surgeries. There is however, a direct impact on the level of services provided by the van. An increase in the spay and neuter fees would cost an additional $37,465 annually and could result in a reduction of approximately 400 surgeries. Failure to approve a fee increase, however, could result in insolvency for the van and a loss of the service altogether.
