the Chairperson regarding their behavior. Section 403 of the California Penal Code states as follows: “Every person who, without authority of law, willfully disturbs or breaks up any assembly or meeting that is not unlawful in its character, other than an assembly or meeting referred to in Section 302 of the Penal Code or Section 18340 of the Elections Code, is guilty of a misdemeanor”.

VOTING AND DISPOSITION OF ITEMS – Most items require a majority vote of the entire membership of the Board (3 members). When debate on an item is completed, the Board President will instruct the Secretary to "call the roll". Every member present must vote for or against each item; abstentions are not permitted unless there is a Conflict of Interest for which the Board member is obliged to abstain from voting. The Secretary will announce the votes on each item. Any member of the Board may move to "reconsider" any vote on any item on the agenda, except to adjourn, suspend the Rules, or where an intervening event has deprived the Board of jurisdiction, providing that said member originally voted on the prevailing side of the item. The motion to "reconsider" shall only be in order once during the meeting, and once during the next regular meeting. The member requesting reconsideration shall identify for all members present the Agenda number and subject matter previously voted upon. A motion to reconsider is not debatable and shall require an affirmative vote of three members of the Board.

When the Board has failed by sufficient votes to approve or reject an item, and has not lost jurisdiction over the matter, or has not caused it to be continued beyond the next regular meeting, the issue is again placed on the next agenda for the following meeting for the purpose of allowing the Board to again vote on the matter.

COMMISSION MEETING DATE: September 14, 2010  PREPARED BY: Anthony Sanchez
REPORT DATE: September 7, 2010  TITLE: Management Analyst II
SUBJECT: Contracts for As-Needed Veterinary Service Providers to Reimburse Spay/Neuter Surgeries

BOARD ACTION RECOMMENDED:

That the Board:

1. Authorize the General Manager to execute formal written agreements, substantially in the form as on file in the Board office and approved by the City Attorney as to form, with North Figueroa Animal Hospital, Gateway Animal Hospital, Value Vet, North Hollywood Animal Care Center, and Holiday Humane, for payment of spay/neuter surgeries under the Department’s Spay/Neuter Voucher Program; and,

2. Authorize the General Manager to execute a formal written agreement, substantially in the form as on file in the Board office and approved by the City Attorney as to form, with Fixnation, Inc., for payment of spay/neuter surgeries previously performed under the Department’s Spay/Neuter Voucher Program, mostly for feral cats which ceased as of December 19, 2009; and,

3. Direct the Department to process payments to veterinarians for redeemed vouchers immediately upon execution, and under the terms, of said agreements.

SUMMARY:

On July 13, 2010, the Board approved the release of a Request for Qualifications (“RFQ”) to pre-qualify veterinarians to participate in the Department’s Spay/Neuter Programs. The RFQ and proposed contract template was initiated partly in response to three audits conducted by the Office of the Controller as well as to standardize the way veterinarians participate in the Department’s Spay/Neuter Program. Resulting contracts will establish appropriate mechanisms
for future payment of vouchers redeemed by participating veterinarians who accept vouchers as a partial or full payment of pet sterilizations as well as all other veterinary services.

However, currently the Department is experiencing a backlog of payments for spay/neuter surgery to multiple veterinarians who have submitted vouchers for payments. In order to process payments to veterinarians owed more than $25,000 in redeemed vouchers, the City Attorney has advised that the Department execute written agreements with those veterinarians to ratify surgeries completed and which will be done in the coming months under the vouchers program. A contract, approved by the Board, is an appropriate instrument to pay these outstanding amounts and future amounts, pending the RFQ process.

Upon Board approval, the Department intends to establish agreements for payment under the $30 and $70 voucher program with the following veterinarians:

<table>

<tr>
<th>Spay/Neuter Provider</th>
<th>Maximum for Contract Term</th>

<tbody>
<tr>
<td>North Figueroa Animal Hospital</td>
<td>$60,000</td>

<tr>
<td>Gateway Animal Hospital</td>
<td>$60,000</td>

<tr>
<td>Value Vet</td>
<td>$50,000</td>

<tr>
<td>North Hollywood Animal Care Center (Dr. Sunada)</td>

<tr>

<tr>
<td>FixNation, Inc. (owed payments only, no future payments)</td>
<td>$91,000</td>
</tr>
</tbody>
</table>

One of the agreements is with FixNation, Inc. in Sun Valley, in order to pay our outstanding balance with them. A judicial ruling in December 2009 enjoined the City from subsidizing sterilizations of feral cats, although feral cats were almost all of FixNation’s workload. At about the same time, the City Attorney withheld further approval of payments to FixNation in order to review the payment process and ensure there was a proper authority for payment, such as a formal written agreement.

Questions had also arisen regarding authority for payments to the Sam Simon Foundation and The Amanda Foundation during periods when services by either of them were not covered by contract. This appears to be the result of a desire on the part of the City to facilitate spay/neuter and they did not have written contracts.

Management and staff are committed to ensuring that all contract and competitive bidding processes and City financial policies are adhered to, and that there will be no repeat of any past practices not in conformance with the City’s regulations and policies.

As noted, the Department is moving forward with establishing formal contracts with all participating veterinarians in order to standardize the payment process for emergency treatments, adoption-related sterilizations, and voucher redemptions. In the meantime, processing of these contracts is an intermediate step in improving the management of the Spay/Neuter Program. Veterinarians who are owed less than $25,000 will continue to be paid through the current AE process. In accordance with Controller audits conducted in May 2008, August 2008, and June 2009, the new RFQ process and resulting duly executed agreements are expected to ensure future payments to vendors are compliant with City payment policies.
In accordance with the City Charter, the Office of the City Administrative Officer has determined that the work proposed to be contracted can be performed more feasibly by a contractor than by City employees because there is insufficient existing City staff to perform the work and additional staff cannot be employed and trained in a timely manner to meet the Department’s needs.

FISCAL IMPACT:

Funds are provided for public spay/neuter programs ($30 and $70 Vouchers and the Mobile Spay/Neuter Clinic) through a combination of the General Fund allotment of $810,000 and a surcharge on dog licensing of about $600,000 a year. Funds are available in existing spay/neuter accounts to pay for these services.

Approved:

Brenda F. Barnette, General Manager
