Three (3) members of the Board constitute a quorum for the transaction of business. Some items on the Agenda may be approved without any discussion.

The Board Secretary will announce the items to be considered by the Board. The Board will hear the presentation on the topic and gather additional information from Department Staff. Once presentations have finished, the Board President will ask if any Board Member or member of the public wishes to speak on one or more of these items. Each speaker called before the Commission will have one (1) minute to express their comments and concerns on matters placed on the agenda. (For certain agenda items, speakers will have two (2) minutes.)

PUBLIC INPUT AT BOARD MEETINGS – Public Participation on Agenda Items. Members of the public will have an opportunity to address the Board on agenda items after the item is called and before the Board takes action on the item, unless the opportunity for public participation on the item was previously provided to all interested members of the public at a public meeting of a Committee of the Board and the item has not substantially changed since the Committee heard the item. When speaking to an agenda item other than during Public Comment (see Public Comment below), the speaker shall limit his or her comments to the specific item under consideration (California Government Code, Section 54954.3).

Public Comment. The Board will provide an opportunity for public comment at every regular meeting of the Board. Members of the public may address the Board on any items within the subject matter jurisdiction of the Board as part of Public Comment.

Speaker Cards. Members of the public wishing to speak are to fill out one speaker card for each agenda item on which they wish to speak and present it to the Board secretary before the item is called.

Time Limit for Speakers. Speakers addressing the Board will be limited to one (1) minute of speaking time for each agenda item except during general public comment period which is limited to two (2) minutes per speaker. (For certain agenda items, speakers will have two (2) minutes each.) The Chairperson, with the approval of a majority of the Board, may for good cause extend any speaker’s time by increments of up to one (1) minute.

Brown Act. These rules shall be interpreted in a manner that is consistent with the Ralph M. Brown Act, California Government Code Section § 54950 et seq.

STANDARDS OF CONDUCT. Speakers are expected to behave in an orderly manner and to refrain from personal attacks or use of profanity or language that may incite violence.

All persons present at Board meetings are expected to behave in an orderly manner and to refrain from disrupting the meeting, interfering with the rights of others to address the Board and/or interfering with the conduct of business by the Board.

In the event that any speaker does not comply with the foregoing requirements, or if a speaker does not address the specific item under consideration, the speaker may be ruled out of order, their speaking time forfeited and the Chairperson may call upon the next speaker.

The Board, by majority vote, may order the removal from the meeting of any speaker or audience member continuing to behave in a disruptive manner after being warned by the Chairperson regarding their behavior. Section 403 of the California Penal Code states as follows: "Every person who, without authority of law, willfully disturbs or breaks up any assembly or meeting that is not unlawful in its character, other than an assembly or meeting referred to in Section 302 of the Penal Code or Section 18340 of the Elections Code, is guilty of a misdemeanor."

VOTING AND DISPOSITION OF ITEMS – Most items require a majority vote of the entire membership of the Board (3 members). When debate on an item is completed, the Board President will instruct the Secretary to "call the roll". Every member present must vote for or against each item; abstentions are not permitted unless there is a Conflict of Interest for which the Board member is obliged to abstain from voting. The Secretary will announce the votes on each item. Any member of the Board may move to "reconsider" any vote on any item on the agenda, except to adjourn, suspend the Rules, or where an intervening event has deprived the Board of jurisdiction, providing that said member originally voted on the prevailing side of the item. The motion to "reconsider" shall only be in order once during the meeting, and once during the next regular meeting. The member requesting reconsideration shall identify for all members present the Agenda number and subject matter previously voted upon. A motion to reconsider is not debatable and shall require an affirmative vote of three members of the Board.

When the Board has failed by sufficient votes to approve or reject an item, and has not lost jurisdiction over the matter, or has not caused it to be continued beyond the next regular meeting, the issue is again placed on the next agenda for the following meeting for the purpose of allowing the Board to again vote on the matter.

I. ADMINISTRATIVE APPEALS

1. **Barking Dog Noise Case: BD 161127 WV**
   Respondent: Lillian Elsie Kestone Fazzi
   West Valley Animal Care and Control: Lieutenant Lorna Esparza
   Complaining Witness: Anatoly Aleksandrovich and Valerie Aleksandrovich

   The Respondent Lillian Fazzi and the Complaining Witness Anatoly Aleksandrovich appeared before the Commission. The Respondent asserted that she did not agree with the terms and conditions issued by LAAS. In particular, she did not want to be required to use a barking collar on her dog. Anatoly Aleksandrovich testified that dog has been doing much better since the hearing. The Respondent complained that her neighbors never reached out to her directly about the problem. Commissioner Garcia asked if the dog was mostly inside or outside and Mrs. Fazzi responded that the dog spends time both inside and outside. Commissioner Gross mentioned that he felt comfortable removing the condition requiring the use of a barking collar from the terms and conditions in this case. GM Brenda Barnette explained the different varieties of barking collars.

   Commissioner Zaft moved to uphold the General Manager's decision to impose terms and conditions with the exception of the barking collar. Commissioner Garcia seconded the motion and it was approved by a vote of 3-0.

2. **Dangerous Animal Case: DA 162139 WLA**
   Respondent: Donald Nathan Braun and Brenda Braun
   West Los Angeles Animal Care and Control: Captain Wendell Bowers
   Complaining Witness: Betty Yahr

   The Respondents Donald Nathan Braun and Brenda Braun appeared before the Commission. The Complaining Witness, Betty Yahr, did not attend the Commission
meeting. Commissioner Zaft clarified that their dog, Mr. Lucky, had not been declared dangerous and he stated the three terms and conditions imposed by LAAS. Mrs. Braun mentioned her health conditions and how her dog assists her. Commissioner Gross emphasized that the terms and conditions must be met. Commissioner Zaft reiterated that as long as the terms and conditions are met and if no other incidents occur, the dog can remain in their custody. Mrs. Braun stated that all the terms and conditions have been met. Commissioner Gross stated that in order for the dog to be a service animal a certified trainer must train the dog. Commissioner Zaft mentioned that the trainer must submit a letter stating that the dog has been trained to be a service animal and encouraged the Brauns to be very careful with Mr. Lucky when the dog is in an unfamiliar environment.

Commissioner Zaft moved to uphold the General Manager’s determination to impose terms and conditions. Commissioner Garcia seconded the motion and was approved by a vote of 3-0.

Report to the Board of Animal Services Commissioners

COMMISSION MEETING DATE: September 13, 2016  PREPARED BY: Jan Selder

REPORT DATE: September 8, 2016  TITLE: Director of Field Operations

SUBJECT: ACCEPTANCE OF A GRANT IN THE AMOUNT OF $25,000.00 FROM THE PETCO FOUNDATION

BOARD ACTIONS RECOMMENDED:

1. ACCEPT a check in the amount of $25,000.00 from the Petco Foundation (Foundation).

2. APPROVE upon receipt of the check, the deposit of these funds into the Animal Welfare Trust Fund for the purpose of holding a reduced fees adoption event to encourage adoptions and increase our live save rate.

BACKGROUND:

In April of 2016, Los Angeles Animal Services (LAAS) reinstated its partnership with the Foundation when the opportunity arose to house shelter cats inside Petco store locations for adoption. By partnering with the Foundation, the Department became eligible for grants offered by the Foundation. LAAS currently has cats in one store location, Porter Ranch, and is looking at expanding into one more location.

On August 5, 2016, the Foundation notified the Department we had been selected to apply for a special grant called The Petco Park Grant to support the lifesaving work we do. In the application we proposed to increase our adoption rate by holding reduced or fee-waived adoption events, similar to the recent “Clear the Shelters” event, which have proved very successful at increasing adoptions and bringing public awareness to our shelters. The application was accepted and the Department has been awarded the grant.

FISCAL IMPACT:

There will be no financial impact on the Department’s budgeted funds. The grant funds will be deposited into the Animal Welfare Trust Fund and used in accordance with the grant agreement.
