The Board Secretary will announce the items to be considered by the Board. The Board will hear the presentation on the topic and gather additional information from Department Staff. Once presentations have finished, the Board President will ask if any Board Member or member of the public wishes to speak on one or more of these items. Each speaker called before the Commission will have one (1) minute to express their comments and concerns on matters placed on the agenda. (For certain agenda items, speakers will have two (2) minutes.)

**PUBLIC INPUT AT BOARD MEETINGS – Public Participation on Agenda Items.** Members of the public will have an opportunity to address the Board on agenda items after the item is called and before the Board takes action on the item, unless the opportunity for public participation on the item was previously provided to all interested members of the public at a public meeting of a Committee of the Board and the item has not substantially changed since the Committee heard the item. When speaking to an agenda item other than during Public Comment (see Public Comment below), the speaker shall limit his or her comments to the specific item under consideration (California Government Code, Section 54954.3).

**Public Comment.** The Board will provide an opportunity for public comment at every regular meeting of the Board. Members of the public may address the Board on any items within the subject matter jurisdiction of the Board as part of Public Comment.

**Speaker Cards.** Members of the public wishing to speak are to fill out one speaker card for each agenda item on which they wish to speak and present it to the Board secretary before the item is called.

**Time Limit for Speakers.** Speakers addressing the Board will be limited to one (1) minute of speaking time for each agenda item except during general public comment period which is limited to two (2) minutes per speaker. (For certain agenda items, speakers will have two (2) minutes each.) The Chairperson, with the approval of a majority of the Board, may for good cause extend any speaker’s time by increments of up to one (1) minute.

**Brown Act.** These rules shall be interpreted in a manner that is consistent with the Ralph M. Brown Act, California Government Code Section § 54950 et seq.

**STANDARDS OF CONDUCT.** Speakers are expected to behave in an orderly manner and to refrain from personal attacks or use of profanity or language that may incite violence.

All persons present at Board meetings are expected to behave in an orderly manner and to refrain from disrupting the meeting, interfering with the rights of others to address the Board and/or interfering with the conduct of business by the Board.

In the event that any speaker does not comply with the foregoing requirements, or if a speaker does not address the specific item under consideration, the speaker may be ruled out of order, their speaking time forfeited and the Chairperson may call upon the next speaker.

The Board, by majority vote, may order the removal from the meeting of any speaker or audience member continuing to behave in a disruptive manner after being warned by the Chairperson regarding their behavior. Section 403 of the California Penal Code states as follows: “Every person who, without authority of law, willfully disturbs or breaks up any assembly or meeting that is not unlawful in its character, other than an assembly or meeting referred to in Section 302 of the Penal Code or Section 18340 of the Elections Code, is guilty of a misdemeanor.”

**VOTING AND DISPOSITION OF ITEMS** – Most items require a majority vote of the entire membership of the Board (3 members). When debate on an item is completed, the Board President will instruct the Secretary to “call the roll.” Every member present must vote for or against each item; abstentions are not permitted unless there is a Conflict of Interest for which the Board member is obliged to abstain from voting. The Secretary will announce the votes on each item. Any member of the Board may move to “reconsider” any vote on any item on the agenda, except to adjourn, suspend the Rules, or where an intervening event has deprived the Board of jurisdiction, providing that said member...
originally voted on the prevailing side of the item. The motion to "reconsider" shall only be in order once during the meeting, and once during the next regular meeting. The member requesting reconsideration shall identify for all members present the Agenda number and subject matter previously voted upon. A motion to reconsider is not debatable and shall require an affirmative vote of three members of the Board.

When the Board has failed by sufficient votes to approve or reject an item, and has not lost jurisdiction over the matter, or has not caused it to be continued beyond the next regular meeting, the issue is again placed on the next agenda for the following meeting for the purpose of allowing the Board to again vote on the matter.

Report to the Board of Animal Services Commissioners

MEETING DATE: March 13, 2018
PREPARED BY: Brenda Barnette

REPORT DATE: March 9, 2018
TITLE: General Manager

SUBJECT: REQUEST TO OFFER PILOT VOLUNTEER PROGRAM AT EAST VALLEY FOR STUDENTS FROM 12-16 YEARS WITH ADULT VOLUNTEER SPONSOR

BOARD ACTION RECOMMENDED:

APPROVE staff recommendation to offer a Pilot Volunteer Program at East Valley for students from 12-16 years of age with an accompanying sponsor to volunteer at the Centers for no less than 2 hours and no more than 4 hours during a specific time period designated for minor volunteers.

BACKGROUND:

The Department of Animal Services receives multiple requests from students who want to volunteer in our animal shelters, who have school reports to write for class assignments and who just want to learn more about the work we do and the animals.

The Department would like to work with the City Attorney’s Office to create the appropriate Permission Documents to be submitted by the parent and, if not the parent, authorizing an adult known to the family to attend a LAAS Volunteer Orientation with the minor and to be the youth’s sponsor, allowing the student to accompany them during their volunteer work at the shelter during a specific 4 hour time period on Saturday. The student and their accompanying sponsors may volunteer at the Centers for no less than 2 hours and no more than 4 hours during the specific time period designated for minor volunteers.

SUMMARY:

With the shortness of staff in all areas of the Department, volunteer services are a critical component of our ability to give the shelter animals the extra attention that we all want them to have. We believe that this pilot program fills a community need for the students to complete their school assignments, will provide invaluable education about animals and animal shelters for students who are anxious to learn more and will provide humane education.
